

AMERICAN COLLEGE OF OSTEOPATHIC PEDIATRICIANS

CARING FOR AMERICA'S CHILDREN

The American College of Osteopathic Pediatricians congratulates the Med-Peds community on its 50th anniversary. We greatly appreciate the contributions of Med-Peds physicians, and would like to acknowledge the growing number of osteopathic applicants entering the field of Med-Peds each year.

In particular we would like to acknowledge your community's commitment to the field of Pediatrics and the unique care you provide to those adolescents and adults who transition to adult medical care with disorders originating in childhood.
